A close-up photograph of a Green-backed Tanager (Tangara creviera) perched on a brown branch. The bird has a vibrant green back and head, a black face with a prominent red ring around its eye, and a yellow beak. Its underparts are white with a red band across the chest. The background is a soft-focus green forest.

A person is silhouetted against a bright sunset, standing on a grassy bank and using a camera on a tripod to photograph a calm body of water. The sun is low on the horizon, creating a strong lens flare and reflecting on the water's surface. The sky is filled with soft, wispy clouds. The person is wearing a light-colored shirt and dark pants. The overall scene is peaceful and scenic.

A photograph of a forest floor covered with numerous large, round, brown Brazil nut husks. Some husks are whole, while others are cracked open, revealing the dark, oily nutmeat inside. In the background, a person's legs and black rubber boots are visible, standing on the forest floor. A white plastic bag lies on the ground to the right. The scene is illuminated by natural sunlight filtering through the trees.
