Northwestern Ecuador Birds Galore - 5 days

Any birder's heaven, northwestern Ecuador, with its sharp differences in elevation, has extraordinarily high avian diversity! Beginning with the immediate area in and around Bellavista, which won the Christmas Audubon Bird Count various years... then we continue to lower elevations with other spectacular reserves, all accessible by vehicle / on foot. All this makes Bellavista and northwestern Ecuador an ideal destination for a rewarding and in-depth birding tour! Hummingbirds, toucans, antpittas, manakins, the spectacular Cock-of-the-Rock and much more....

5 days / 4 nights: includes lodging with private bath, 14 meals, guided visits in Bellavista Reserve, round trip transport from Quito, and also includes a visit with guide, entry fees and transport included to Paz de las Aves Reserve (Cock-of-the-Rock and Antpittas), as well as a visit to the Alambi Hummingbird and Tanager Reserve, Milpe Reserve, Rio Silanche Reserve, Mirador del Rio Blanco and more. IVA tax, and service are included. This option includes one night in the region of Pedro Vicente Maldonado for better access to local reserves:

2017 Price: US\$1028 per person double occupancy. Single supplement: US\$366. Note: This tour may run on a shared basis, with other Bellavista guests

Full Week's Birding the Northwest - 7 days

Day 1 – Pickup in Quito. Birding and travel along higher altitude of the Ecoruta and Yanacocha Reserve. Lunch and birding at Alambi Reserve. Afternoon in Bellavista for birding in and around the Lodge. Overnight in Bellavista.

Day 2 - Full day of birding at Bellavista, and along this area of the Ecoruta. Includes use of vehicle. (NOTE on this day: use of vehicle means for dropoff and pickup on roads in and around our reserve, rather than a vehicle and driver always at the clients' sides)

Day 3 - Early morning at Paz de las Aves Reserve. Continue to Milpe Reserve. Overnight: Bellavista.

Day 4 -Travel to visit Mashpi Reserve and Silanche Reserve. Night at El Borojo or other option.

Day 5 -Travel to Canande. Birding along the way as we drop in elevation. Overnight at Canande Reserve Lodge.

Day 6 - Full day birding at Canande Reserve. Overnight at Canande Reserve.

Day 7 - Return to Quito, birding at different spots en route.

2017 Price: US\$1946 per person; single supplement US\$778. Note: This tour may run on a shared basis, with other Bellavista guests

All meals are included, starting with breakfast on Day One and finishing with lunch on Day Seven.

Notes: *Taxes Included *Private non-exclusive transport *Tours operate with experienced Bellavista naturalist guide. Quoted with standard rooms
