WHEN IS THE BEST TIME TO VISIT BAHIA BUSTAMANTE? ALL!

October

We open the season! It's Spring time
Penguin Season Started
Migrating birds are flocking around
Steppe wildlife is mating
Sunrises are stunning

November

All the property is full of flowers!
Penguins have laid their eggs
We can see Lesser rheas chicks and other newborns
We start swimming and enjoying the beaches

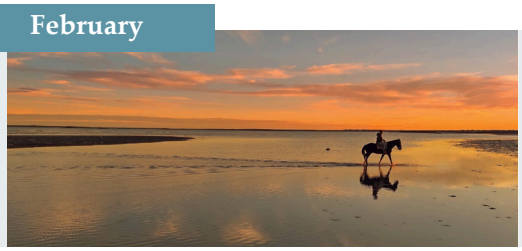
December

Days get really long. Summer is here.
It's beach time and picnics!
Penguin chicks are born
Male sea lions are arriving in the islands
Our berries and fruits are ready to eat

January

The sun is strong and days are long!
Wildlife is at its most. Lots of activity.
Beaches and tide pools are very enjoyable!
Penguin chicks are growing
Our fruits and vegetables are looking great!

February



We harvest our honey
The veggie garden is very productive
Wildlife is expressing itself greatly
Beaches are very enjoyable
Sunsets are stunning

March

It's the vine harvest! And wine making season
Sunrises and sunsets are breathtaking
Penguins are molding
Migrating birds are flocking around again
Beaches continue to be enjoyable

April

The best sunrises come at breakfast time!
Penguins start to migrate
Perfect for trekking and exploring
We harvest our quince to produce quince cider
We close our season.
