

# ROUTE OF THE ANDEAN BAROQUE

## Where Heaven and Earth Became Art

Relive the conversion era of colonial times by touring four of the most representative churches of the Andean Baroque:

- **Church of La Compañía de Jesús \*** Access, in exclusivity, the underground part of the church and the second level.
- **Church of the Purified Virgin\*** in Canincunca.
- **Church of St. John the Baptist in Huaró.** Enjoy a children's choir singing local songs inside the church. Access, in exclusivity, the upper part of the temple, where you will find the ancient organ that is still used.
- **San Pedro Apóstol Church \*** in **Andahuaylillas.** Discover, in exclusivity, a secret that time has preserved behind the altar, and climb the bell tower.

Both in Huaró and in Andahuaylillas, we can visit the social aid project centers of the Jesuit brothers. At the end of the tour we will enjoy a gourmet picnic lunch in an unbeatable environment.
