

MAGICAL AND HIDDEN CUSCO

Ancestral secrets in the navel of the world

Walk through ancient streets in Cusco, where the heirs and bearers of legends mingle with travelers and eventual visitors who try to imagine what life was like for the ancient Cusquenians.

In one corner of the Plaza Nazarenas, where one of the most prestigious hotels in the city is located, you will learn about the incredible stories of love and betrayal that were kept secret for years in the silence of a convent. Discover why seven snakes were sculpted in stone in the passageway that bears the same name; and in Purgatory Street, paying close attention, you can hear the steps of a "soul in pain" - a deceiver who used disguise to exploit the faith, fear and mercy of passers-by who left alms for "The Souls of Purgatory."

Finish the tour sharing a table - and why not a glass of corn chicha - in a typical Picantería.
