

# JUNGLE FISHING

COLOMBIA HAS MANY RIVERS AND NATURAL PARKS, HOWEVER, WHEN IT COMES TO FISHING THE TOMO RIVER AND THE GAVILAN RIVER ARE ON TOP OF THE LIST.

**Our camp is designed by anglers for anglers! Every detail of this operation has been designed to make your stay as enjoyable as possible.**

**No matter where you decide to go, most of the best fishing destinations around the world have something in common, they are difficult to access, that is why at Afloat we have invested a lot of time and resources into planning every detail of your journey to make it seamless and pleasant.**

# TOMO RIVER:

## BIG GAME JUNGLE FISHING

**Tomo is a big river with lots of structures, white sand beaches, flats, smaller tributaries and an incredible number of lagoons, it is considered one of the best rivers in Vichada for trophy size peacock bass occasionally exceeding 20 pounds and getting up to 28 to 30 pounds.**

**Countless species of both fauna and flora are going to accompany us in our journey.**

# G AVILAN RIVER :

PERFECT FOR SIGHT-CASTING

**When it all come together, nothing beats sight-casting fishing, heart pounding, adrenaline racing, blood rushing, breath stopped, you aim for your target and let the action begin!.**
