Amazon Cruise

*"Time is like a river...
you will never touch the same water twice,
because the water that has passed by
will never come to pass again...
enjoy every minute of your life..."*

(a wise unknown author)

Being on board of our boat Amazon Cruises expedition is to live an astonishing ecological, conscious and cultural experience! An invitation to fall in love with the Amazon, its vast wilderness, its abundant fauna and flora... getting to know the traditions, dive into the cultural and ancestral diversity... delight in all of its flavors and most of all, transform itself into the world's largest tropical forest.
