Porto Da Barra Canoe Tour - Salvador

We leave our hotel at a prescheduled time and proceed to the popular Porto da Barra beach.

The tour delivers a sea experience in calm waters, where you will enjoy the activity and the city view from a different angle.

On this tour we will meet a part of the coast of Salvador on board a millennial vessel. Rowing in a Hawaiian canoe we will stroll down the coast of Victory corridor with its imposing buildings, dwelling of many artists Bahian, we pass through the charming village of Gamboa that guards the history of black slaves, Indians and ancient fishermen, we shall also pass by Ruins of the Gamboa Fort São Paulo until we reach the waters in front of the Museum of Modern Art where we will stop for a bath. After the bath we will return to the port of departure that was the port of the bar.

Samba and African roots Dance class

The samba de roda comes from African influences and is a rhythm originating in Bahia, since 19TH century. It's a pace usually associated with capoeira, and it is considered a variation of Samba, directly from the Semba, (Angola rhythm).

Today, we will learn about the samba de roda and how to make the movements.

Then, we associate some movements to the dances dedicated to some of the orixás (African Entities) and the symbology of them.
