

SAO PAULO CITY TOURS AND EXCLUSIVE EXPERIENCES

THE BEST OF SÃO PAULO

Options with 4, 6 and 8 hours

4-hour tour option:

A tour along São Paulo's most representative sights. It begins with the presentation of the *Ibirapuera Park*, the main green area of the city, where we showcase the historical importance of the *Obelisk of São Paulo* and *Monumento às Bandeiras* (Monument to the Flags), and several art-works made by *Oscar Niemeyer*, such as the *Museum of Contemporary Art* (MAC) and the *Oca*. The route follows through the chic streets of the *Jardins* neighborhood, highlighting the architectural design of the *Unique Hotel* and the *Church of Nossa Senhora do Brasil*, until reaching the *Vila Madalena* neighborhood. There, we will find the unusual and colorful *Batman Alley*, with its graffiti-covered murals. We then cross the famous *Paulista Avenue* to see the imposing *Copan* and *Italia* buildings, the *Anhangabaú Valley*, the *Teatro Municipal* (Municipal Theatre), the *Pátio do Colégio* (place where the city was founded), the *São Bento Monastery* and the magnificent *Metropolitan Cathedral* located at *Praça da Sé* (Sé Square).

Additional sites included in the 6-hour tour:

This option includes additional panoramic tour runs by the *Pinacoteca Museum*, *Luz Station*, *Holy Art Museum* and the famous *Municipal Market of São Paulo* (Food market).

Visiting stops: *Ibirapuera Park* (Monument to the Flags and Museum of Contemporary Art - MAC), *Batman Alley* and *Municipal Market of São Paulo*.

Additional sites included in the 8-hour tour:

This option has additional attractions, such as the *Morumbi Stadium*, *Jockey Club* and the *Estaiada Bridge* (*Suspended Bridge*).

Visiting stops: *Ibirapuera* (with the ascent to the *Museum of Contemporary Art* and stops for photos at the *Monument to the Flags*), *Batman Alley*, *Municipal Market* and *Morumbi Stadium*.

CONTEMPORARY ART TOUR

Options with 4 and 6 hours

4 hours tour option:

In this tour, we suggest a visit to some places that features a variety of Brazil's most remarkable contemporary art styles, broadly found on the streets, galleries, museums and even at the slum areas of São Paulo. The tour begins with a visit to one of the best-known art galleries that hosts exclusive works made by renowned national artists. After that, we will see some murals shown in an open-air area of the *Batman Alley* and *Apprentice Alley*, unique urban passages lined with beautiful graffiti. Then, the visitor will go to the Museum of Contemporary Art (MAC), rising to its terrace, which offers an incredible view of the *Ibirapuera Park* area.

Visiting stops: Museum of Contemporary Art (MAC - Ibirapuera), Art Gallery and Graffiti in *Vila Madalena*.

Additional sites included in the 6-hour tour:

Optionally, visitors will be taken to a very unusual and surprising place of the city: The *Casa de Pedra* (the Stone House), built by *Mestre Estevão*, considered the "Brazilian Gaudi". This nickname is due to his ingenious architectural work made with mosaics, recycled articles and souvenirs, attached to structures composed by cement and iron wires, which were raised inside his own house, located in the middle of *Paraisópolis*, the largest slum of São Paulo.

Visiting stops: Museum of Contemporary Art (MAC - Ibirapuera), an iconic art gallery, graffiti in *Vila Madalena* and the *Casa de Pedra*.

TASTING TOUR

Duration: 4 hours

One of the gastronomic centers of the world, São Paulo offers over 12,500 restaurants from 55 types of cuisine that seek to please every kind of taste. It also fills the expectations of those in search for new flavors and those who want to try the most typical dishes.

This tour combines the beauty of the city's main attractions to its the flavors, as drinking a cup of Brazilian coffee at the *Pátio do Colégio* (the place where the city was founded), having a local drink at the highest point of the city, savoring a *temaki* at the oriental neighborhood, sampling a *pastel* with *garapa* (sugar-cane juice) at one of the city's street fairs, or enjoying the classic mortadella sandwich served at the Municipal Market. Accompanied by a bilingual guide, visitors are free to choose what they want to taste at each stop (drinks and meals not included).

HOLAMBRA

Duration: 05 hours

Popularly known as "The City of Flowers", located approximately one-hour drive from São Paulo, *Holambra* was originally settled by Dutch immigrants. The city still retains many of its original features, both architecturally and economically, based predominantly on Agriculture and Tourism. Thus, with the help of a local guide, visitors will see some of its main attractions, such as the largest windmill of Latin America and the historic village center. The highlight of the tour is a visit to its beautiful flower fields, accompanied by a local guide to enable personal interactions with local producers.

EMBÚ DAS ARTES

Duration: 5 hours

** Available only during weekends*

Known as the "City of Arts", the village originally appeared between 1555 and 1559. Nowadays it is internationally known as a place of gathering for painters, sculptors and artisans to exhibit their work in one of the 38 galleries, antique shops or in the famous *Embu das Artes Fair* (only available during weekends). The village also offers a rich food court and a space for shows of ornamental plants and flowers. While walking through winding alleys of colonial architecture, visitors learn a little more about Brazilian Art, broadly displayed at the *Museum of Holy Art of the Jesuits*.

CAMPOS DO JORDÃO

Duration: 8 hours

Known as the "Brazilian Switzerland", Campos do Jordão offers many Nature, gastronomic and landscape attractions, with visits to its effervescent Center (Capivari), the *Morro do Elefante* (Elephant Hill), *Pico Itapeva* (viewing spot) and an optional stop for lunch (meal not included). During the tour, it is also possible to visit a microbrewery called *Baden Baden*, a famous local beer brand that offers a gourmet experience. Visitors learn about the entire production process of a craft beer, receive tips on tasting, harmonization and have the opportunity to taste the famous Crystal and Bock beers.

SHOPPING TOUR

Duration: 4 hours

São Paulo offers several places for shopping that suit every taste and pocket size. There are more than 77 malls all over the city, plus the famous *Oscar Freire* and *Lorena* streets, that hosts stores of the most renowned brands in the world.

The city also has several places dedicated to popular trade, such as the famous areas of *25 de Março*, *José Paulino* and *Brás streets*, attracting buyers from all over Brazil and abroad. In case you be interested in local products, the city offers specialized places that sell typical Brazilian products, such as *marajoara* pottery, souvenirs, precious stones, handcrafts, sport team jerseys and even the famous Brazilian *Cachaça* drink.

ARCHITECTURE TOUR

Duration: 6 hours

This tour focuses on contemporary and modern architecture, highlighting the famous *Octavio Frias Bridge* (suspended Bridge), the building of the *University of Architecture & Urbanism of São Paulo* and the *Morumbi Stadium* (both made by *Villanova Artigas*). It then follows to the *Ibirapuera Park*, in order to visit the *Oca*, the *Ciccillo Matarazzo Pavilion*, (both made by *Oscar Niemeyer*), the *Modern Art Museum (Lina Bo Bardi)*, and the *Unique Hotel* which was designed by architect *Ruy Othake*. It continues to the *Higienópolis* neighborhood, (birthplace of modern architecture in the city), to see the works of award-winning architects such as *Paulo Mendes da Rocha*, *Isay Weinfeld*, *Carlos Bratke* and *Franz Heep*. It also visits the *Copan Building*, Brazil's largest building in concrete.

Visiting stops: *Higienópolis*, *University of Architecture and Urbanism of Sao Paulo (USP)*, *Ibirapuera Park* and *Copan building*

CAMPINAS – COFFE FARM

Duration: 6 hours

Located 11 kilometers from downtown *Campinas* (about 1h15 far from *São Paulo*), *Tozan Farm*, with a rich historical and cultural heritage, tells many stories that has been preserved since 1798. It is considered a “living document”, retaining its original architecture, furniture, and antiques. Upon arrival, visitors will watch closely all the stages of coffee production, with the support of a cultural guide, who accompanies the groups during all the stages of the visit. The visit starts at the *Coffee House Museum*, where visitors learn the history of Coffee and *Tozan Farm's* production stages, from the making of seedlings to processing, roasting and grinding. Then at the *Cafezal*, visitors learn about the coffee crop with explanations and demonstrations of different stages of fruit ripening as well as the processes of manual and mechanized harvesting. At the Pulper Station visitors watch the receiving of the harvested fruit, its washing and sorting according to different fruit ripening. At the Drying Yard, they learn about natural and mechanical drying, followed by an external visit to a *Senzala* (Slave quarters) built in 1850, which would later house the first Italian immigrants, by then considered “white slaves”. The tour will then end with a visit the highest elevation point of the farm (third highest of *Campinas*), which gives a full view of all coffee plantations, farm borders and surrounding areas. Of historical importance, this place is where confrontation of troops of *São Paulo* and *Minas Gerais* occurred during the Revolution of 1932.

THE BEST OF SANTOS

Duration: 8 hours

Santos always held a fundamental role in the history of Brazil's national economy. In this tour we will see the largest port in Latin America, responsible for the entry of immigrants during the 19th century and shipping of the famous Brazilian coffee, which has a special museum made in its honor, where visitors learn more about its economic importance and development.

Afterwards, we will get to know the old city center through a brief ride in the historical tram and visit the famous *Montserrat* (viewing spot), where until 1946 there existed a glamorous casino. Alternatively, for groups of up to 13 people it is possible to go to the *Oscar Niemeyer* viewing spot, from where visitors to see the World's longest garden of seafront, with 7 km of beaches featured along it.

The tour still reserves some must-see attractions such as the *Pelé Museum* (created in 2014 to honor the greatest athlete of the 20th century) or *the Memorial of Achievements of the Santos Football Club*, twice world-champion back in the 60's.

FOOTBALL TOUR

Duration: 6 hours

São Paulo gathers many fans, stadiums and also some of the major soccer teams of Brazil. During this tour, passengers will do a guided visit to the Football (Soccer) Museum. Founded in September 2008, it hosts a rich collection of relics, curiosities and updates of the sport, so as temporary exhibitions, featured with great creativity and interactivity.

The tour also includes a visit to the famous *Morumbi Stadium* home of the *Sao Paulo Football Club*, where visitors will have the opportunity to enter in one of the biggest private stadiums of Brazil and check it's Trophies Room, so as the soccer field, dressing rooms, its official store and much more.

** Subject to previous booking at least 3 days in advance*

APARECIDA DO NORTE

Duration: 8 hours

Discover the "Brazilian Capital of Faith". Located about 160 km away from São Paulo, the city received this nickname due to its religious importance. The city of *Aparecida do Norte* currently receives about 7 million pilgrims every year, being considered the largest religious center of Latin America. Besides the *Basílica Nova* (New Basilic), considered the second largest catholic church in the world (with capacity for 75.000 people), and the *Basílica Velha* (Old Basilic), built in 1745 in baroque style, the city also offers other attractions such as the Museum of Nossa Senhora de Aparecida and the Wax Museum.

TOUR BY NIGHT

Lenght: 4 or 6 hours

The tour begins with a brief panoramic tour around some of the most representative attractions of São Paulo, such as the Paulista Avenue, the Jardins neighborhood and old Downtown area. Afterwards, visitors will visit one of the coolest bars and viweing spots of the city or experience one of the most traditional houses of Samba and Brazilian popular music os São Paulo, with the possibility of including a package with drinks and dinner made with typical Brazilian dishes.

Visiting stops:

4 hours: Panoramic tour with stops at Monumento às Bandeiras (Ibirapuera) and *Unique hotel*.

6 hours: Panoramic tour followed by visit to *Unique Hotel* or *Brahma bar* with meals, appetizers and drinks included.

PERSONAL TOUR

Duration determined by the visitor

We believe that São Paulo has enough entertainment options to satisfy everyone's taste.

That is the reason why we are able to offer a tailored made city tour, developed in accordance to your interests and profile, bringing together the best attractions that one of the largest cities in the world has to offer, such as art, culture, entertainment, dining, shopping, architecture and much more

SP A PÉ (SÃO PAULO BY FOOT)

Duration: 4 hours

Discover the city of São Paulo by an intimate and interactive way, getting in direct contact with places and people that make up its identity. The tour suggests a walking tour around the region of the Paulista Avenue and the old center of Sao Paulo, enabling access to local and peculiar places such as the old galleries, markets, churches. It also includes a climb to a lookout and other surprising attractions, amazing even for locals.

GRAFFITOUR

Duration: 4 hours

The GRAFITOUR, enables visits to areas of São Paulo where the street art is more prevalent, such as the Beco do Batman (*Batman Alley*), an unusual and colored passage located at the artistic *Vila Madalena* Neighborhood, covered by many paintings made by some of São Paulo's main artists, so as the *Beco do*

Aprendiz (Aprendice Alley) and *Open Museum of Urban Art*, featuring many murals designed on the columns of a large viaduct located in the North Zone of the city.

*Optional: Graffiti Experience (see full description at the end of the document).

JEWISH TOUR

Duration: 4 hours

São Paulo has the second largest Jewish population of Latin America. On this tour, the visitor will have a summary of the history, social integration and the most representative sights of this culture in the city.

We start this tour with an external visit to the former Jewish Cultural Centre (current called Unibes Cultural), an icon of the local architecture due to its shape, which is very similar to that of a Torah, the Jewish holy book. Then we will meet *Higienópolis*, one of the noblest neighborhoods of the city, with strong presence of Jews, where we will visit the *Congregação Israelita Paulista (CIP)*, Latin America's largest Synagogue (visit subject to prior confirmation of availability) and move on to the Jewish Museum, currently under refurbishment.

Continuing, we will meet the neighborhood of *Bom Retiro*, which housed the first Jews, who arrived in the late 19th century, where we will visit the *Kehilat Israel Synagogue* (the oldest in the State of São Paulo) that currently houses the *Holocaust Memorial* (internal visit available only from Monday to Friday). The tour ends at the *Lasar Segall Museum*, located in the home of the famous Jewish painter, engraver and sculptor, born in Lithuania, who lived in São Paulo for many years.

* Note: Internal visits are subject to availability confirmation for tours according to the day and time, please check before booking.

CATHOLIC TOUR

Duration: 8 hours

The tour begins with a visit to *Catedral da Sé*, one of the emblematic points of São Paulo, located at a main landmark of the city, a square with the same name. Among the many attractions of the church, we highlight its *Crypt* (tickets are not included), where the bishops and archbishops of São Paulo, as well as many important figures of Brazilian history, were buried. Then, we will visit *São Bento Monastery*, where the Benedictine monks live in an enclosed regimen. The Monastery offers daily Gregorian chant masses and there is a shop with articles made by the monks, such as breads, jams and traditional handcrafts as the *Cross of St. Benedict*.

Optionally, visitors can have lunch at the *Municipal Market* (meals not included), where they can taste local and typical food, such as the traditional "mortadela" sandwich or codfish pastries, as well as try a great variety of exotic fruits and typical sweets.

Afterwards, we will visit the *Monastery of Luz* (Mosteiro da Luz), a place founded to sheltering the Conceptionist Sisters, where we'll find the tomb of *Frei Galvão* (Beato Frei Galvão) and also the *Museum of Sacred Art of São Paulo* (Museu de Arte Sacra de São Paulo). The museum's mission is to collect, classify,

catalog and display religious objects, such as a Neapolitan crib of the 18th century, with more than 800 pieces.

The tour ends with a visit to the only church of São Paulo built in Brazilian colonial style: *The Church of Our Lady of Brazil* (A Igreja de Nossa Senhora do Brasil), famous for containing various national elements that make up its architectural ensemble, ranging from paintings, tiles with images of animals, flowers and the image of the *Madonna del Brasile*.
